Hygiene regulations in the subject libraries from 18 May 2020

In accordance with § 4 Abs. 5 CoronaVO of the state of Baden-Württemberg the access to the library rooms is regulated, queuing must be avoided and a minimum distance of 1.50 m to other persons must be maintained. To serve this purpose and to comply with the rules of hygiene the following measures are taken.

For operation and use of the subject libraries the prohibition to enter the University is temporarily paused for students and staff members of the University of Mannheim.

Face masks are mandatory

Within the libraries it is mandatory to wear a face mask. Admission is only allowed with so-called "everyday masks" covering mouth and nose.

Restricted access

Only members of the University of Mannheim with a personal seat booking have access to the subject libraries. A security service will check your booking at the entrance, you will need your ecUM.

According to § 7 CoronaVO, persons who have had contact with a person infected with the corona virus in the last 14 days or who show symptoms of a respiratory tract infection or elevated temperature are not allowed to enter.

Keeping the minimum distance

In the foyer and inside the libraries, the minimum distance of 1.5 m to other persons must always be maintained.

Using the library

Only the unblocked tables are available for use. Printers, copiers, scanners and a reduced number of workstations may be used. Working in groups is not permitted, group study rooms are closed. Lockers may not be used.

Cleaning

We ask you to clean the surfaces of the copiers and scanners before use. Appropriate means are available on site. Library staff regularly clean the contact surfaces of publicly accessible equipment.
