Hygiene regulations in the Schloss Westflügel Library from 23 April 2020

In accordance with § 4 Abs. 5 CoronaVO of the state of Baden-Württemberg the access to the library rooms is regulated, queuing must be avoided and a minimum distance of 1.50 m to other persons must be maintained. To serve this purpose and to comply with the rules of hygiene the following measures are taken.

For operation and use of the Schloss Westflügel Library the prohibition to enter the University is temporarily paused for students and staff members of the University of Mannheim.

**Face masks are mandatory**

Within the library it is mandatory to wear a face mask. Admission is only allowed with so-called "everyday masks" covering mouth and nose.

**Restricted access**

Only members of the University of Mannheim have access to the Schloss Westflügel Library. Your ecUM card will be checked at the entrance.

Only a limited number of persons may be in the library at the same time. The library may only be entered with a library basket. Baskets are available in the foyer. A security guard will control that the access restrictions are observed.

According to § 7 CoronaVO, persons who have had contact with a person infected with the corona virus in the last 14 days or who show symptoms of a respiratory tract infection or elevated temperature are not allowed to enter.

**Keeping the minimum distance**

In the foyer and inside the library, the minimum distance of 1.5 m to other persons must always be maintained.

**Lending media only**

Printers, copiers, scanners and workstations may not be used. It is also not possible to use the computer workstations. Research the call numbers of the books you need in advance at home or via your mobile device.

Please do not stay longer than necessary in the rooms of the library.

Services at the circulation desk are not possible.

**Cleaning**

We ask you to clean the library baskets and the surface of the self-service machine before use. Appropriate means are available on site.
