Open Science Day 2020

How can one bring Open Science into an institution, create an Open Science Center, or a research program about reproducibility? Answers to these questions will be provided by our keynote speakers. Moreover, a wide variety of subjects like preprints, reproducible codes, transparency, inclusion, or societal impact will also be presented and discussed at the Mannheim Open Science Day 2020.

All members of the University of Mannheim and researchers in Mannheim and beyond as well as everyone interested in those topics are invited to join our online event.

Date: 20.10.2020, 13:00 - 17:00
Venue: Online via Zoom (login details will be sent to the participants after registration)
Registration: Via e-mail to kommunikation@bib.uni-mannheim.de

PROGRAM

13:00 - 14:30 Session 1 (Chair: Prof. Dr. Edgar Erdfelder)

- **Welcome and Opening:** Prof. Dr. Edgar Erdfelder
- **The Open Science Center at LMU: History, Benefits, and Lessons Learned:**
  Prof. Dr. Felix Schönbrodt (Ludwig-Maximilians-Universität München)
- **Analyse and Optimise Replicability in the Behavioural, Social, and Cognitive Sciences:**
  Prof. Dr. Mario Gollwitzer (Ludwig-Maximilians-Universität München)

14:45 - 15:45 Session 2 (Chair: Dr. Philipp Zumstein)

- **Preprints and Open Access in Mathematics:** Prof. Dr. Simone Göttlich (University of Mannheim – Chair of Scientific Computing)
- **Make Your Code Reproducible:** Juli Tkotz (Central Institute of Mental Health, Mannheim)

16:00 - 17:00 Session 3 (Chair: Dr. Katharina Bolle)

- **Open Science and Society**: Jana Berkessel (University of Mannheim – Cross-Cultural Social and Personality Psychology)
- **Open Minds, Open Methods: Transparency and Inclusion in the Pursuit of Better Scholarship:** Alexander Wuttke (University of Mannheim – Mannheim Centre for European Social Research (MZES))
- **Closing Words**
