Open Science Office

**12. OCTOBER**

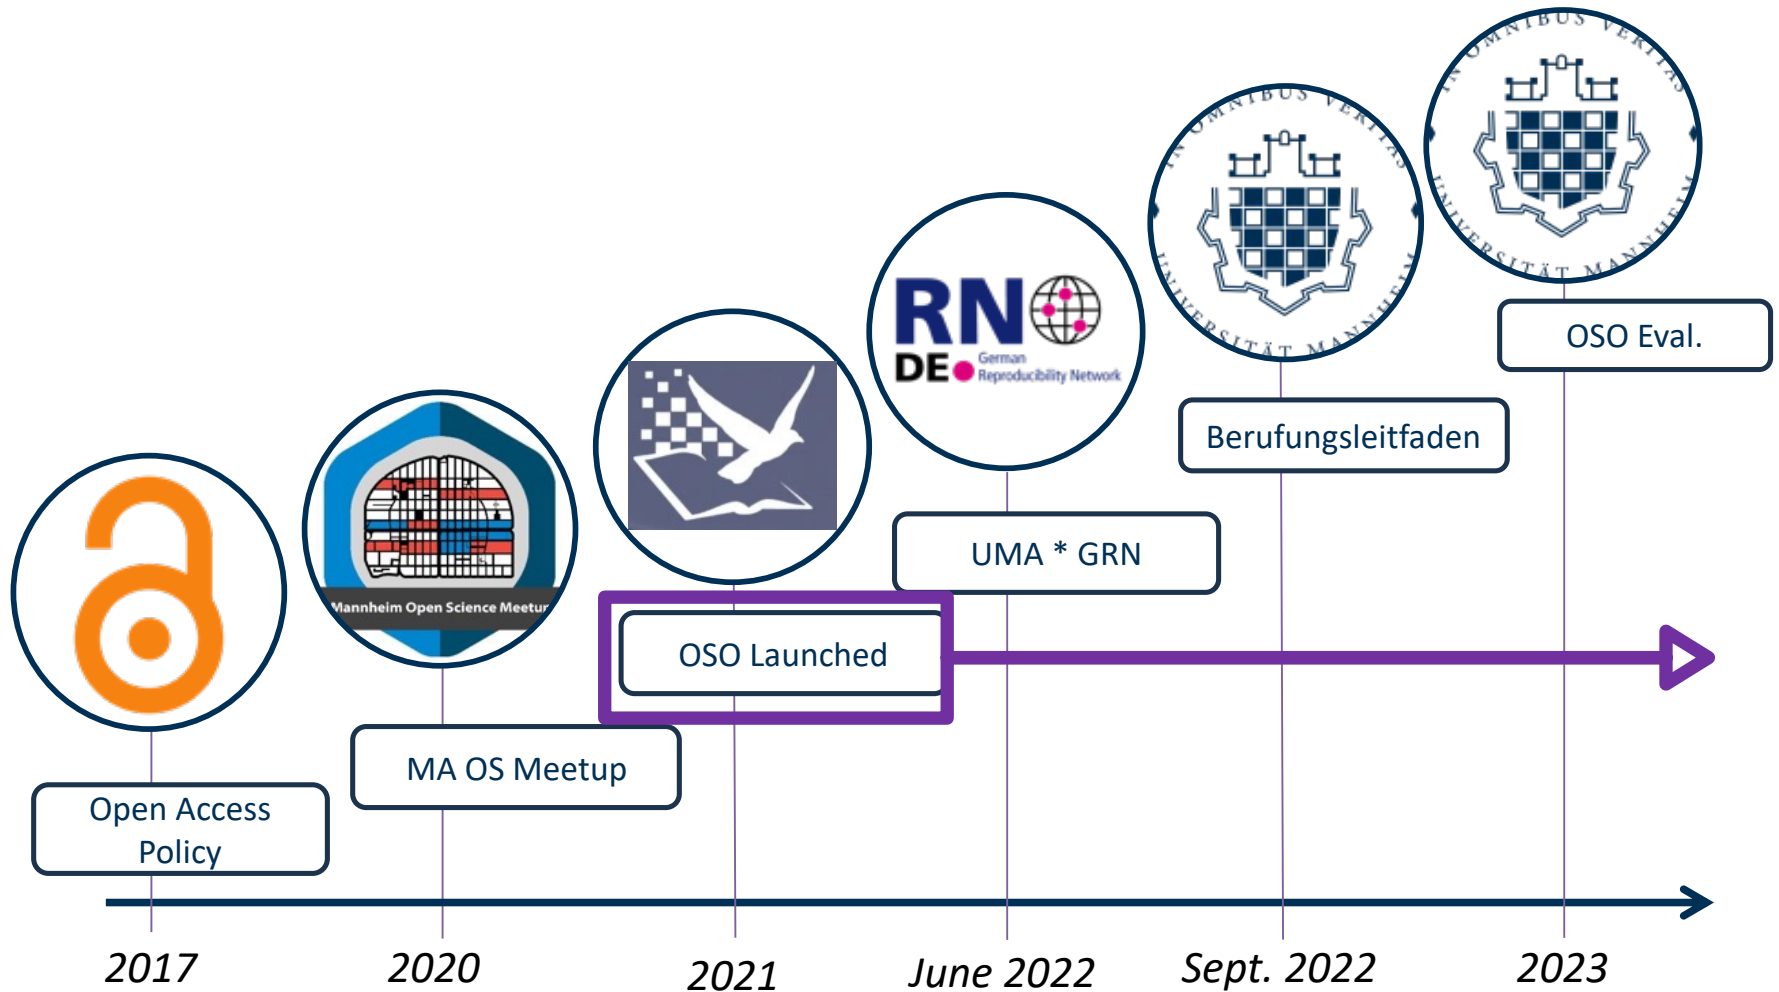

# Uptake of Open Science at the University of Mannheim

Open Science Office

Dr. David Philip Morgan and Dr. Philipp Zumstein  
University of Mannheim, Open Science Office

# Strategical Developments at the University of Mannheim

# Goals and Services offered by the Open Science Office

## Support

### Open Science Consultations

*Meetings with researchers regarding Open Science topics and workflows*

## Training

### Open Science Seminar Series

*Workshops, Events, Seminars about Open Science Topics*

## Incentives

### Open Science Grants

*...apply for 5,000 EURs in research funding for an Open Science project*

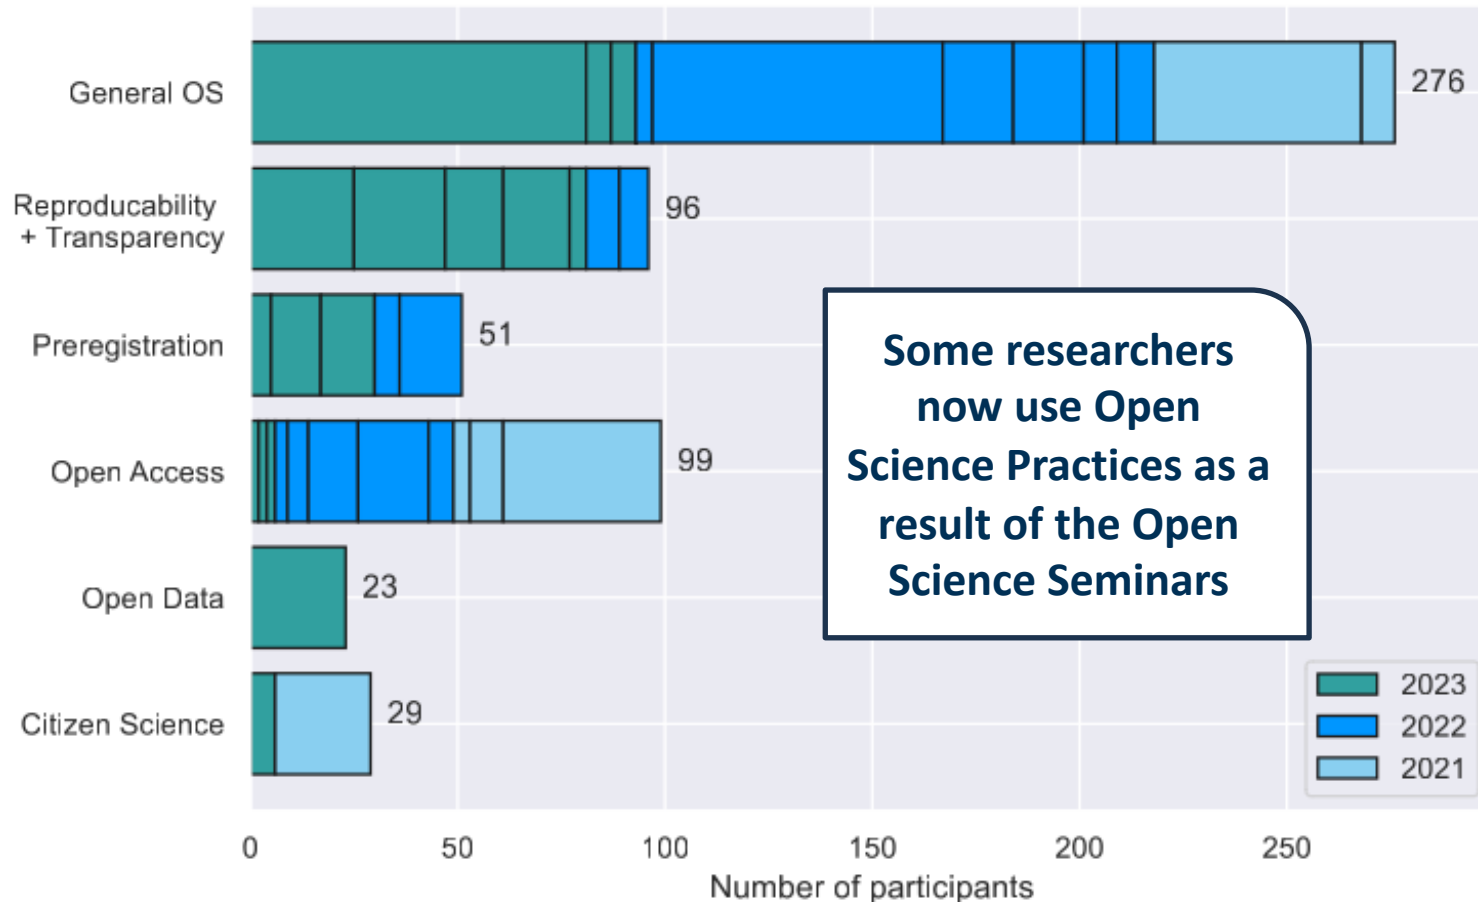

# Training and Education

# Training and Education

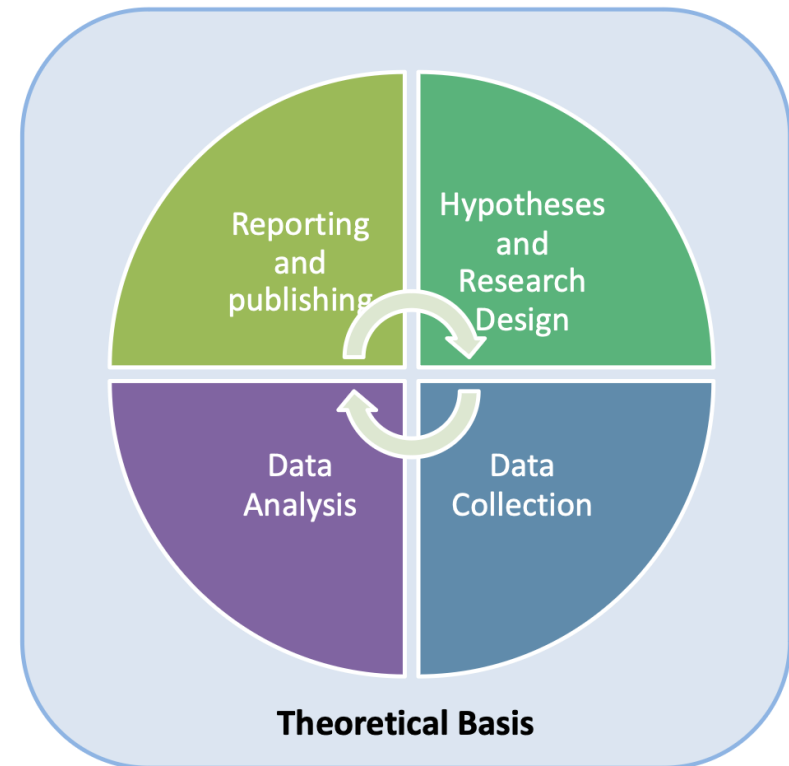

The Open Science Office has provided **over 70 hours** of training and educational opportunities **to over 550 individuals since 2021**:

# Training and Education

New Mannheim Masters in Social Data Science includes a compulsory ***“Open and Reproducible Research”*** module led by the Open Science Office starting from Autumn 2024.

# Support and Services

# Support and Services

The Open Science Office **has provided over 60 Open Science consultations since the beginning of 2022**, supporting researchers at the university with integrating Open Science into their research:

Faculty	No.
Law	1
Economics	1
BWL	4
Social Sciences	22
Humanities	16
WIM	4
UMA Strategy	3
External	9

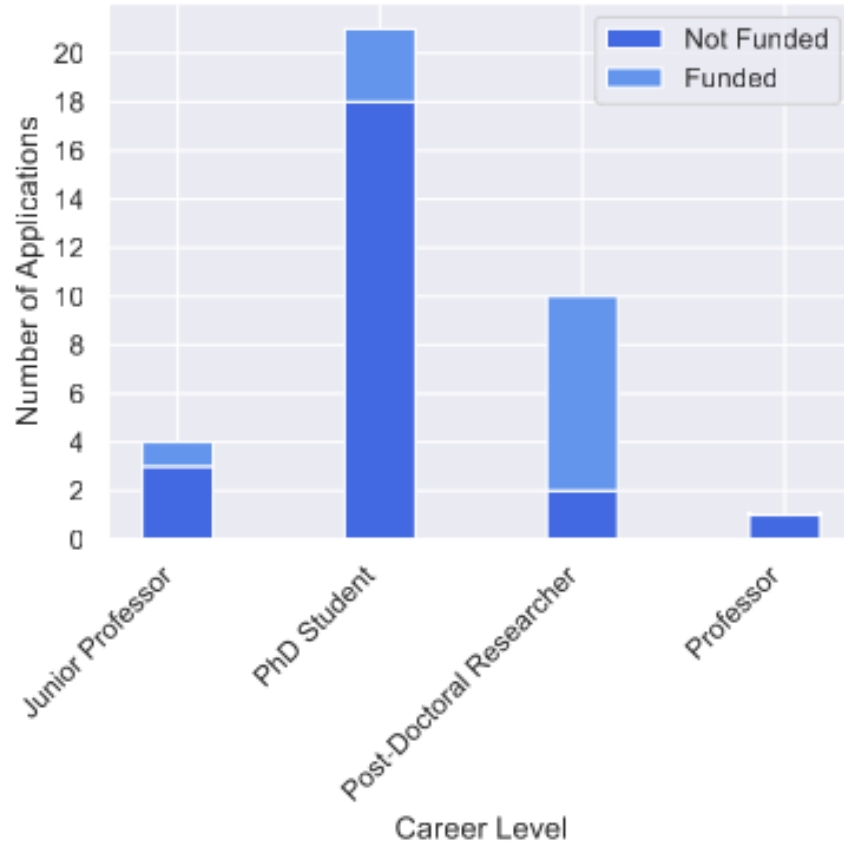

Career Level	No.
Professor	16
Junior Prof.	2
Post-doc	10
PhD Student	25
Other	7

# Open Science Incentives

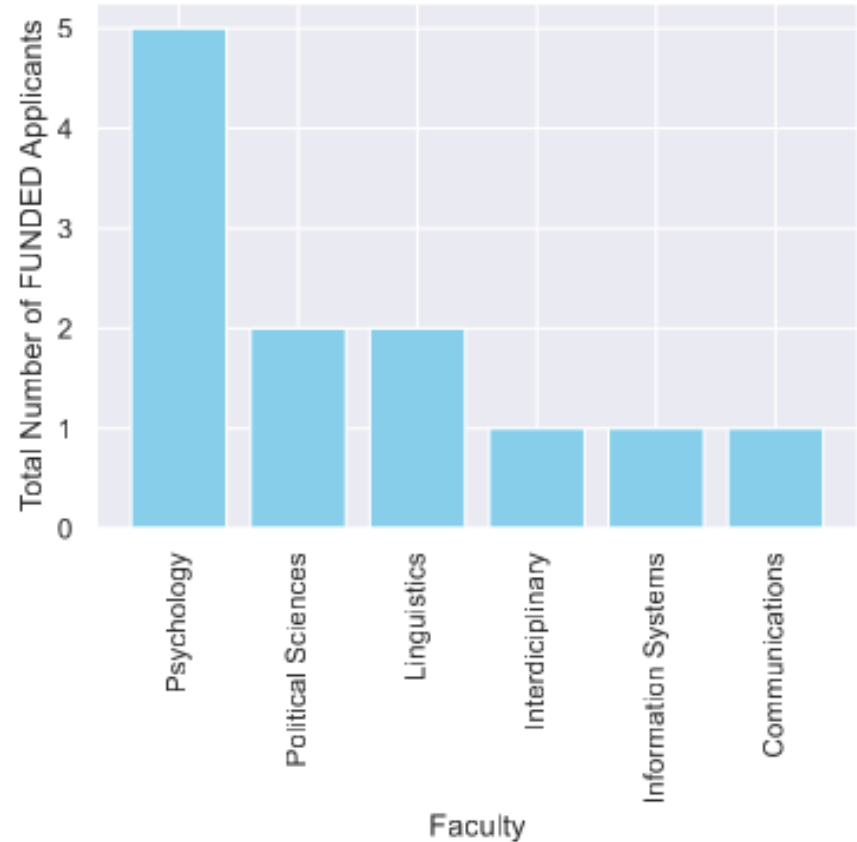

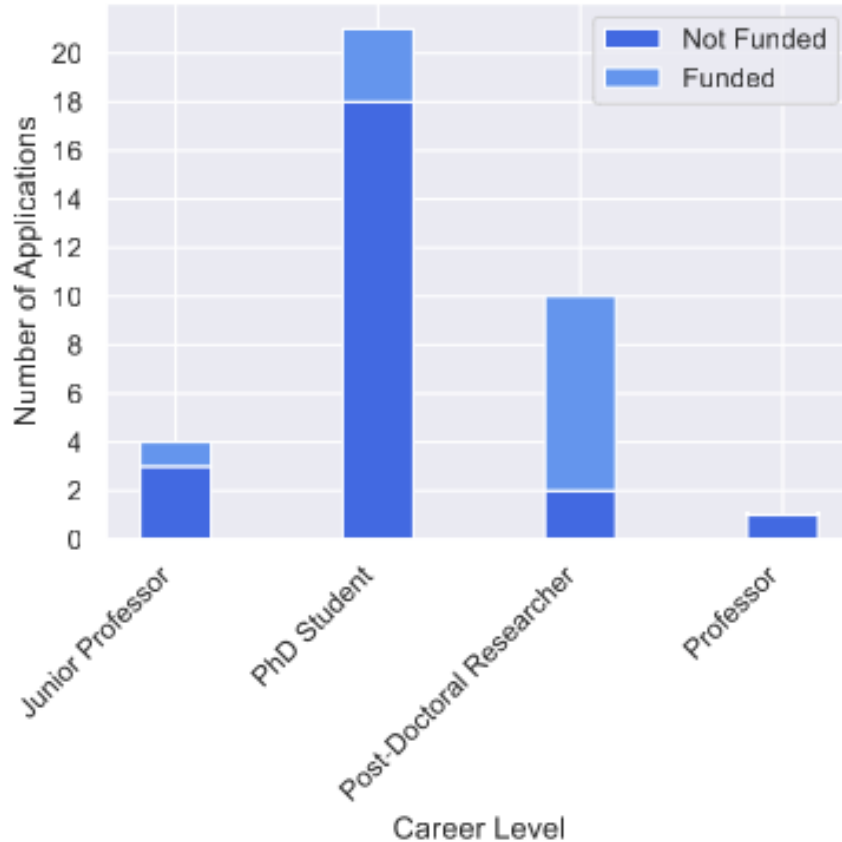

# Open Science Grants €

In two rounds (2021; 2022) of funding the Open Science Office has awarded just under 50,000 EURs to 12 projects (out of 36 applications):

# Open Science Grants €

In two rounds (2021; 2022) of funding the Open Science Office has awarded just under 50,000 EURs to 12 projects (out of 36 applications):

# Open Science Funding €

**Six projects are now finished, and they alone have provided over 100 deliverables related to Open Science Practices:**

Open Science Deliverable	No. of Deliverables
Open Data	9
Open Code	3
Open Materials	5
Pre-registration	10
Registered Report	1
Open Access Publications	3
Conference Presentations	9
Conference Posters	2

**One grant produced 18 new open Educational Resources and the [Mannheim Open Science Meetup](#) provided over 50 events**

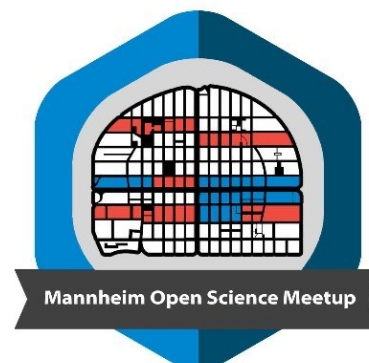

# Networking and Outreach

# Networking and Visibility

The Open Science Office has worked extensively with likeminded partners to expand accessibility and visibility of Open Science:

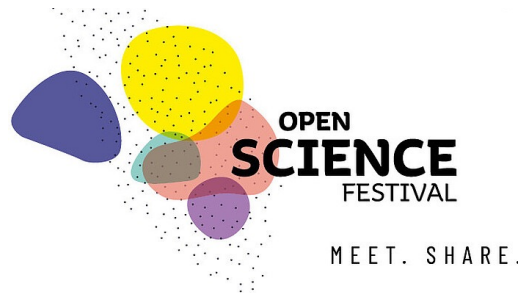

## Division I

# Networking and Visibility

The university's approach to Open Science **has been presented at 6 national and international conferences** since 2021 and **3 publications** have been written.

**8. BIBLIOTHEKSKONGRESS LEIPZIG 2022:**  
Kongress & Fachaussstellung: **#FreiräumeSchaffen**  
31. Mai – 02. Juni 2022

# Contact

## Dr. David Philip Morgan

Open Science Officer | RDM Consultant |

Co-ordinator for Research Improvement of the University  
of Mannheim @ GRN

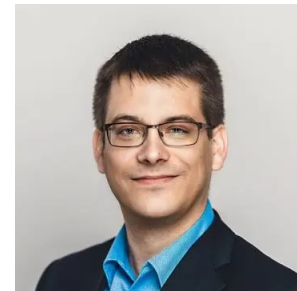

Email: [David.Morgan@uni-mannheim.de](mailto:David.Morgan@uni-mannheim.de)

## Dr. Philipp Zumstein

Head of Publishing Services and Research Support |

Open Access Representative of the University of Mannheim

Email: [Philipp.Zumstein@uni-mannheim.de](mailto:Philipp.Zumstein@uni-mannheim.de)

# Open Science Day Schedule

Session 1 11:00 – 12:00

- **Keynote:** Open Science as a good practice in doctoral training and shifting incentives for Open Science in Academia, Dr. Anne Gärtner

Lunch Break @ ZEW 12:00 – 13:00

Session 2 13:00 – 14:40 (short break at 13:40 at 14:40, 10 mins each)

- Preregistration and Data Repository Practices in Business and Marketing Research, [Prof. Dr. Sabine Kuester](#)
- Practical Experiences with Data and Replication policies in Economics Journals, [Prof. Dr. Arthur Seibold](#)
- Open Science Grant Awardees, 2022

Session 3 14:50 – 16:00

- Open Science Fishbowl (*on-site only*), Implementing Open Science Practices in Research: Who does what? And why? And Who is responsible to check that Open Science is done right?
- Closing words
